

OrthoENGAGE Webinar Foot – All around the Hallux for Beginners

May 19, 2020

Dear Ladies and Gentlemen,

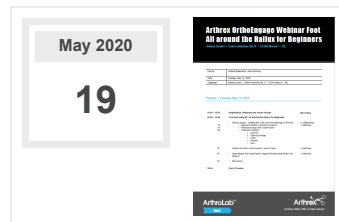

The corona crisis presents us all with unprecedented challenges. But Arthrex would not be Arthrex if we did not respond with innovative solutions.

We ask for your understanding that, due to the current situation, no on-site courses can be held in our ArthroLab at the moment.

However, in order to offer you an opportunity for further training, Arthrex is providing online seminars for all interested surgeons.

For this reason, we would like to invite you to our online Arthrex OrthoENGAGE Webinar Foot - All around the Hallux for Beginners on May 19, 2020.

Within the scope of a video conference, our speakers will discuss the various lecture topics. After each lecture, you will have the opportunity to ask questions to the speakers via the chat function.
